EXPERIENCE

[Pavlov VR](#), *United States/Canada* — Voice Actor

October 2021 - December 2021 (Contract)

Pavlov VR is a best selling virtual reality first-person-shooter inspired by Counter Strike and other competitive and sandbox shooter games. Jack acted as the announcer for multiple game modes and voiced the American WW2 soldiers, as well as soldiers in a horror based game mode "The Hide".

[Raising The Bar: Redux](#), *International* — Voice Actor

Dec 2020 - Present (Ongoing)

The RTB:R team is a group of passionate developers creating an award winning game mod based on a reimagined and reinterpreted Half Life 2 beta. Jack plays the Role of Father Grigori, an isolated and maniacal pastor in a town overrun by monsters. Aside from voice acting, Jack also provides voice coaching for the cast of the project.

[TESR: Skywind](#), *International* — Voice Actor

Nov 2020 - Present (Ongoing)

TESR: Skywind is a modernised recreation of [Bethesda Softworks](#)' game The Elder Scrolls III: Morrowind. Jack's role in this ambitious project is to voice the iconic Imperial Guards and various characters throughout the game.

[Trippine Studios](#), *International* — Voice Actor

April 2020 - Present (Ongoing)

Trippine Studios is creating two video games that are endorsed by multi-billion dollar company [Valve Software](#). Jack is voicing many roles in their faithful reimaginings of Valve and Gearbox's games 'Half Life - Blue Shift' and 'Half Life - Opposing Force'. Jack also provides vocal coaching for the cast on the team.
